

Your Compliance Concierge: Navigating Insurance & Risk Management with Ease

DUNS: 045163822 • CAGE CODE: 8OC55 • www.kompli.com

Overview

As a national commercial insurance brokerage and risk management compliance consulting firm, we help clients secure competitively priced, fully compliant commercial coverage.

As a national insurance brokerage firm, Kompli provides well designed and compliant commercial property and casualty insurance program solutions. Including: controlled insurance program (OCIP/CCIP) assistance, professional liability, bonding, cyber risk management and alternative risk strategies such as captives.

Kompli also provides end-to-end risk management compliance support—contractual insurance reviews, COI tracking via SaaS platforms, third-party oversight, and claims advocacy—bridging the gap between coverage and real-world compliance.

Core Competencies

- Commercial insurance brokerage and risk management compliance consulting
- Strategic insurance reviews to ensure accuracy and contractual compliance
- Contractual insurance requirement audits
- Certificate of Insurance (COI) tracking and compliance via SaaS tools
- Claims management and advocacy services
- OCIP/CCIP program administration
- Captive and alternative risk structuring
- EMR and premium audit dispute support
- EHS and contractor safety risk consulting
- Cyber risk assessment, coverage, breach response

Public Sector Experience

Kompli currently serves as a subcontractor under Willis Towers Watson (WTW) on a six-year contract with the Port Authority of NY & NJ, providing critical compliance support under their OCIP administration program. Kompli reviews weekly compliance reports, flags missing or incorrect documentation, communicates directly with primes and subcontractors, and ensures all specific required updates are submitted into WTW's ComPASS system

This engagement reflects our deep knowledge of public-sector risk protocols, procurement documentation, and insurance compliance oversight.
